Classroom Registration

www.BrentwoodDriverTraining.com

This course consists of 30 hours of classroom and 6 hours behind-the-wheel. The course fee is \$425 to be paid in advance by mailing the fee (card, check or money order) with the registration form. Class will be held from 8:30-4:30 on Saturdays and during school breaks. The behind-the-wheel training is completed in three 2 hour sessions. We pick up at home or school for the in-car training and return home at the end of the lesson. Students should come to class knowing *their calendar* so they can choose their in-car driving times. If you cancel an in-car lesson with less than two business days notice, there is a \$35 charge to reschedule a new lesson. *If you can't attend all four days of a session, you may choose a make-up Saturday from a different session at no cost.*
